

Our Mission Statement

EWTN Media Missionaries respond with a missionary spirit to spread the Eternal Word and to teach others that Jesus Christ is the Way, the Truth and the Life by sharing the message of the Gospel through EWTN.

Our Mission Statement is in union with our Foundress, Mother Mary Angelica.

Did you know?: Mother Angelica created the Media Missionary program at EWTN in response to the many viewers who wanted to help her in the mission of Christ!

"Come follow me and I will make you fishers of men."
