

Volunteer Tips

- Bulletin Announcement: If you are unable to have an announcement printed in the bulletin, ask your pastor if it can be read from the pulpit along with other announcements at the end of Mass. One of our Media Missionaries and her pastor recently had the airing of a particularly relevant mini-series on EWTN announced from the pulpit at all seven Masses and encouraged parishioners to tune in!
- Evangelize on the go! Generate traffic for EWTN.com by placing an EWTN bumper sticker on your car or vehicle. Contact us now to order your free bumper sticker! (Limited supply available, sticker is magnetic/removable.) Email volunteers@ewtn.com or call **205-795-5771**.
- Placing an ad for EWTN has never been simpler! Download our ready-to-insert bulletin ad, by visiting our Resources page. Feel free to edit it to include your own local channel information!
- Looking for ways to help spread the word about EWTN? Place an announcement in your parish bulletin as the new seasonal program schedules, “Highlights”, become available. They are a handy reference for parishioners and a great way to invite non-viewers to learn more about what’s upcoming on EWTN. You could even set up a table after Mass to draw attention to the latest issue of our schedule!
- Mother Angelica first began her evangelization efforts by writing little tracts or “mini-books.” These little pamphlets have been categorized and collected into little books which the Religious Catalogue has made available:
 - o *Mother Angelica’s Quick Guide to the Sacraments*
 - o *Mother Angelica on Christ and Our Lady*
 - o *Praying With Mother Angelica*
 - o *Mother Angelica on Suffering and Burnout*They are still relevant and continue to strengthen, challenge and offer insight on the spiritual life.
